IN THE HIGH COURT OF JUDICATURE FOR RAJASTHAN
BENCH AT JAIPUR
S.B. Civil Writ Petition No.7951/2007
Sube Singh Choudhary
Vs.
The State of Rajasthan

9.10.2007

Hon'ble Mr. Justice Mohammad Rafiq

Shri Hanuman Choudhary for petitioner.

This writ petition has been filed with the prayer that the respondent-State Government be directed to sanction an amount of Rs.5,00,000/- to the petitioner for manufacturing the prototype instrument invented by him which raises level of water.

The petitioner has produced on record the documents showing that

prototype equipment was invented by him. The petitioner has got the patent of the aforesaid device invented by him and has produced copy of the certificate dated 23.2.2007 issued to this effect by the Controller of Patents. The learned counsel for the petitioner has argued that petitioner cannot on his own further undertake the manufacturing of the aforesaid device because he has no funds and therefore State of Government be directed to provide sufficient funds to him for promotion of the said device so that the same can work for the interest of the State. It is argued that the petitioner submitted representation to

the Principal Secretary, Agriculture Department, Government of Rajasthan on 11.5.2007 that he should be associated with the Rajasthan Invention Foundation so that the device invented by him can be promoted.

In the facts of the case, the kind mandamus that has been prayed for, though cannot be issued but if really what the petitioner contends is correct and the instrument invented by him is useful for the State, the efforts of the petitioner need to be noticed and appreciated by the State Government. I, therefore, set the petitioner at liberty to make a representation to the Principal

Secretary, Agriculture Department, Government of Rajasthan, Jaipur enclosing the aforesaid documents which have been filed with this petition. It is expected of the Principal Secretary to provide an opportunity of personal interview to the petitioner and sympathetically consider his grievance.

With these observation, this writ petition is disposed of.
